

Louisiana FFA Delegate Process Issue Proposal

Reference #	17279712
Status	Complete
Proposing Chapter	State Officer Team
Advisor's Name	Cade LeJeune
Advisor's Email Address	clejeune@laffa.org
Proposal Title	Livestock Show Involvement
Please detail the recommended action to be taken.	At livestock shows (ag expo, district shows, state show, state fair, etc.) FFA members will be able to participate in and present more FFA-oriented activities.
Why is this proposal of importance to the Louisiana FFA Association?	More FFA involvement will provide an FFA focus and get our officers and members more involved. At livestock shows, members and officers can engage more by participating in livestock opportunities (working shows, FFA talent presentations, state show competitions, etc.)
What effect, if any, will this proposal have on student membership?	It will tie our members into more livestock-oriented activities. This will especially be useful for members who are uncommon to livestock projects or who want to participate more during livestock show season.
What data can you offer to support your recommendation?	Many FFA members have commented wishing FFA could have more involvement at our livestock shows. Our closer relationship with the Ag Center opens the opportunity for more involvement like this for our members.
Will a member from your chapter offer a five minute presentation on your issue and a five minute question and answer on February 23 during SLDC?	Yes

Will you attend SLDC in person or virtually?	In-person
